Dear Exhibitor,

As we approach the 2011 Franklin County Fair, July 7 – 10, we welcome some of you back and look forward to new exhibitors.

You will find there are three forms that you will need to sign and return; application form, liability form, and forbidden booth items list. A non-refundable \$25.00 will need to be paid if the full payment cannot be sent in with forms. This non-refundable fee holds your spot due to limited space.

The prices include one season ticket to use each day to get into the gate. A season ticket is given for each 10x10 space purchased. If additional tickets are needed for booth workers or family, they may be purchased at season ticket price and can be mailed to you with the booth season ticket.

This year each exhibitor will need to provide their own cover. There is limited amount of electricity, so please notify us on your application form if electric is needed.
